

Intensive Outpatient Program

*When the solution seems
overwhelming...*

Highlights of our program include:

- Individual, group and family therapy
- Evidenced Based Treatment Practices
- Master's level therapists and certified addiction counselors
- Treatment of the negative effects of alcohol and drug use and co-occurring mental health issues: depression, anxiety, Post-Traumatic Stress Disorders, etc.
- Individualized treatment planning
- Free aftercare for one year upon successful completion of program
- Our programs are accepted by most insurance companies

Providing mental health and substance abuse evaluations and counseling to the South Metro Atlanta in the historic McDonough, Georgia, area. An excellent transition from detox, residential services or as a first line of treatment.
